How to log in to complete the revision module or retake the math placement test

1. Go to https://www.mathsci.udel.edu/courses-placement/ud-math-placement/start-the-process

2. CLICK HERE TO BEGIN THE PLACEMENT PROGRAM

START THE PROCESS

Find a quiet desktop, have pencils and paper, and put up a "Do NOT Disturb" sign. You have three hours to complete each attempt.

Do NOT take on an iPad, tablet, or phone. Use a browser that is on the recommended list - math notation may not appear correctly or your score might be compromised if you use other browsers. Make sure your web connection is secure.

Please contact ALEKS technical support for any technical or computer based questions.
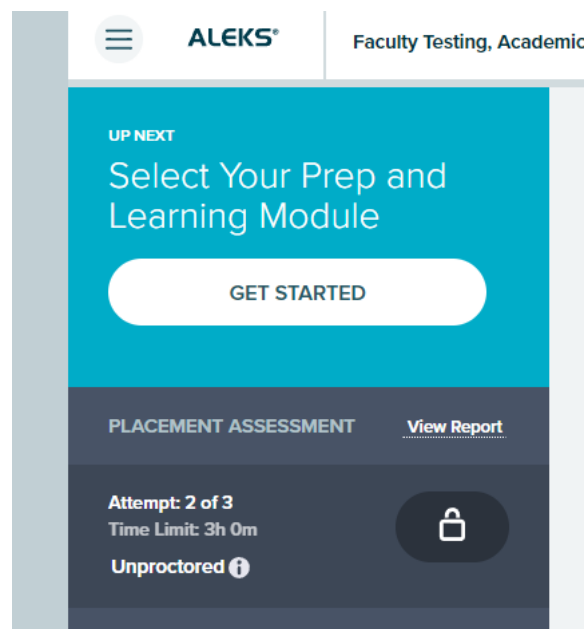

CLICK HERE TO BEGIN THE PLACEMENT PROGRAM

3. Log in using your UD credentials

4. To complete the revision module, click on your class name. Please note your class name will be **Incoming Students Sum/Fall 2022, Win/Spr 2023, Academic Year 2022**

5. Click on GET STARTED

6. You will need to spend a certain amount of time in the revision module. You can keep track of the time remaining as indicated below.

Both must be met to unlock next Placement Assessment.
